**William T. Coleman bobblehead:** For a chance to get (with the regular terms, [www.greenbag.org/bobbleheads/bobbleheads.html](http://www.greenbag.org/bobbleheads/bobbleheads.html)) one of these dolls — inspired by his work as a polymathic lawyer and public servant from the 1940s to the 2010s — present this card at O'Melveny & Myers LLP, 1625 Eye St. NW, Washington, DC. A mark in the box above means a doll has been received.

**Justice Sandra Day O'Connor portrait:** An historically transformative figure who moved from the Southwest to the East Coast, she has achieved great things, touched the lives of millions, and taken the legal world not by storm but, rather, with an extraordinary combination of talent, diligence, and persistence in a career spanning nearly 70 years. She is portrayed by artist John A. Sargent III in a pose inspired by Mickey Mantle. © 2019 The Green Bag, Inc.
