

THE FLIP BOOK

The instructions pictured above are pretty straightforward, as far as they go. Start with your right thumb at the upper right-hand corner of the first page of this issue of the *Green Bag* and flip your way speedily all the way to the back. Then switch thumbs for more, this time starting at the upper left-hand corner of the last page of this issue and flipping speedily all the way to the front.

The flip book story of the streaking ambulance is from *Mr. District Attorney on the Job* (1941), the book described and excerpted starting at page 61 of this issue. If you are not good with your thumbs, visit our YouTube (www.youtube.com) channel – Green-Bagatelle – for a thumbs-free version of the flip book, as well as an extended version. There is other audio-video excitement at Green-Bagatelle, including our first music video, starring the Justice Ruth Bader Ginsburg bobblehead.
