

Justice Stephen G. Breyer

The Annotated Bobblehead

"[T]he Constitution's Due Process Clause forbids a State to use a punitive damages award to punish a defendant for injury that it inflicts upon nonparties or those whom they directly represent" *Philip Morris USA v. Williams*, 549 U.S. 346, 353 (2007).

"Amicus briefs present other instances in which individuals arrested for minor offenses have been subjected to the humiliations of a visual strip search. . . . They include individuals detained for such infractions as . . . riding a bicycle without an audible bell." *Florence v. Board of Chosen Freeholders of County of Burlington*, 132 S.Ct. 1510, 1527 (2012) (dissenting).

"The Fourth Amendment does not treat a motorist's car as his castle." *Illinois v. Lidster*, 540 U.S. 419, 424 (2004).

"[T]he Department would issue a permit measuring grazing privileges in terms of 'animal unit months' (AUMs), i.e., the right to obtain the forage needed to sustain one cow (or five sheep) for one month. . . . [R]egulations in effect from 1938 to the present day made clear that the Department retained the power to modify, fail to renew, or cancel a permit or lease for various reasons." *Public Lands Council v. Babbitt*, 529 U.S. 728, 735 (2000).

What number is on the license plate of his bicycle? "We answer the question of remedy by finding the provision of the federal sentencing statute that makes the Guidelines mandatory, 18 U.S.C. § 3553(b)(1) (Supp. IV), incompatible with today's constitutional holding. We conclude that this provision must be severed and excised" *U.S. v. Booker*, 543 U.S. 220, 245 (2005) (opinion of the Court in part); see also *id.* at 334 (dissenting in part).

Copyright © 2014 The Green Bag, Inc. The background photo of the Texas State Capitol grounds is from *Van Orden v. Perry*, 545 U.S. 677, 706 (2005) (concurring in judgment) (Appendix A), one of several appendices in a collage on the bobblehead package. See, e.g., *Brown v. Pro Football, Inc.*, 518 U.S. 231, 251 (1996). And what word might it be reasonable to expect to find in every opinion portrayed on the package, and on the bobblehead?
