

THE BEST AND THE BOBBLIEST: STEVE MCALLISTER

We have news of another pillar of the law who has not yet sat on the U.S. Supreme Court (though he has argued many cases there), but has already achieved immortality as a bobblehead: Stephen R. McAllister, the E.S. & Tom W. Hampton Distinguished Professor of Law at the University of Kansas School of Law. *Accord, e.g.*, 12 Green Bag 2d 131 (2009) (Judge Leslie Southwick); 15 Green Bag 2d 118 (2012) (Bryan A. Garner); 15 Green Bag 2d 234 (2012) (Robert C. Berring); 16 Green Bag 2d 355 (2013) (Judge David B. Sentelle); and many more great legal figurines.
