

THE BEST AND THE BOBBLIEST: JAMES MADISON

We occasionally pass along news of pillars of the law who have been profiled in spring-loaded ceramic. *See* 20 Green Bag 2d 224 (2017). Chug Roberts of TheCapitol.Net recently turned to our friends at Alexander Global Promotions for help with a salute to the third President to occupy the White House. James Madison was not a pillar of the bar. *See* Edward S. Corwin, *The Posthumous Career of James Madison as a Lawyer*, 25 ABA J. 821 (Oct. 1939). But he merits a waiver.
