

... AND A CARD FROM MERCEDES-BENZ
AND THE ABA

This winter we also received an interesting card with the logos of the American Bar Association and the Mercedes-Benz brand of automobiles on the front, and on the back, and on the inside (see detail above). We could not find anything about law anywhere in it, but we did learn of the existence of “special incentives not available to the general public on the purchase or lease of a new vehicle,” which we could access by visiting “ambar.org/mercedes” and logging in with our ABA ID. Nevertheless, the card did bring some law-related things to mind, including *ABA House of Delegates Resolution 105* (Aug. 2013), www.americanbar.org/content/dam/aba/administrative/office_president/2013_hod_annual_meeting_105.auth_checkdam.pdf.
