

A TROPHY TWEET

We've always admired the Twitter eloquence and insight of Kimberly Robinson of Bloomberg. *See, e.g., 2016 Green Bag Almanac & Reader 4.* Here is another example of her excellent work.

...

Fact check: False.

The Supreme Court does--in the form of quill pens--give out participation trophies.

Perhaps the majority thinks Arthrex should receive some kind of bounty for raising an Appointments Clause challenge and *almost* identifying a constitutional violation. But the Constitution allows us to award judgments, not participation trophies.
