- Patrick R. Goold (*Intellectual Property's Faith-Based Empiricism, Images, and Menus*, p. 289): Thank you to Mark Lemley, Abraham Drassinower, and David Simon for feedback on the essay.
- Ross E. Davies (*"A Legitimate Class of One": The Nixon Papers in the Brennan Chambers*, p. 307): This paper, which is based mostly on research in the files of Brennan, White, Marshall, and Blackmun at the Library of Congress, was made possible by their civic generosity – by their willingness to share freely the fruits of their public service with the people they served.
