## WHAT'S IN IT

To the *Bag*:

Interesting article about the Nixon papers case, and about Justice Brennan's clerk-written histories. Thanks for [publishing] it. . . . I think the "Transcription of Justice William Brennan's notes on Justice Thurgood Marshall's comments in Conference" probably reads "what's in it" rather than "what's what." (See below, and 25 Green Bag 2d 320.)
